**BENEFIT PROGRAM  
LH HOTELS**

## BENEFIT PROGRAM LH HOTELS

Our program allows business customers to transfer 5% of their business activities done at LH Hotels & Resorts into motivational business vouchers. These vouchers can be afterwards gifted to their employees. Furthermore, the employees can use the received vouchers in any of the LH Hotels.

For each individual business activity with a value up to 100 000 CZK without VAT and above, we issue vouchers for private stays including breakfast for company's employees in a value of 5% of the given business activity. These vouchers can be privately used in our LH Hotels chain. This program enlarges the social and motivational package offering in the companies of our business partners.

Please contact our sales team at each hotel or e-mail us on [info@lhhotels.cz](mailto:info@lhhotels.cz).
